

The campground continues to clean its facilities to the high standards it is known for:

- Bathhouses and office/store areas are cleaned frequently.
- Continue practicing social distancing.
- The Governor of PA recommends all persons wear a mask while interacting with others outside of their household and requires a mask in the store.

These policies will be in place at our campground until further notice to ensure we are doing our part to help stop the spread.

- During check-in, we ask that only one (1) member of the site come into the office to register.
- We will not be able to allow any outside visitors.
- No more than 10 people allowed on a site.
- All guests must wear a mask at all times while in the office/store, unless you have a medical condition that prohibits the use of a mask. Children age 2 and under do not need to wear a mask. Young children should be accompanied by an adult at all times to help with social distancing, including in the office.
- No more than 8 guests in the office at a time.
- Please utilize the bathroom in your unit as much as possible.
- GIANT CHESS: when completed with it, please notify a staff member so we can disinfect.
- MINI GOLF: will be free for our guests. We will limit the number of people allowed to play at a time.
- BOTH PLAYGROUNDS AND GAGA BALL: will be closed.
- BASKETBALL AND VOLLEYBALL: will not be provided. You may bring your own to play within your family but please refrain from group activities.
